

Weekly report 7

Total working hours - 5.

Tasks completed:

- Preparing for the demo.
- Doing the demo.
- Final touches, release the project for grading.
- This is done, methinks!

Progress on the software:

- None.

Learned:

- Setting up the testing environment can be a bitch.
 - In the work I reviewed, I failed to get test environment running (Google Test). My bad, that.
 - In my work, the reviewer had similar problems.

Unclear / problems:

- Nada.

Next:

- Good grades, I hope!
